EXPERIMENTAL OBSTETRICS AND GYNAECOLOGY

Inaugural lecture PD Dr. rer. nat. habil. Anne Schumacher

On February 20, 2018, Mrs. Dr. rer. nat. Anne Schumacher held her inaugural lecture "65 years after Medawar - Theories on immunological tolerance induction in pregnancy from today's perspective". Herewith, her habilitation with the topic "Tolerance-associated mechanisms underlying the hormonal regulation of immune responses in pregnancy" is successfully completed. By handing over the *venia legendi*, she is now allowed to use the title PD Dr. rer. nat. habil.. The entire EXGYN team congratulates Mrs. PD Dr. rer. nat. habil. Anne Schumacher in this way once again - we are proud of you.
